Our dreams can only be realised with your kind and generous donations. This is what makes a difference to the lives of our children.
Without your generous support none of these projects would have happened. So... **THANK YOU from the bottom of our hearts!!!!!!!**

With your help we are planning to continue to develop our school by creating an amazing play space at the front of our school (the work around the podium is just a taster!) In 2016 we ran out of classroom space to be able to maintain land for our children to play on and our dream is to build new learning spaces above a current building. This will be a major project that the school will not be able to embark upon without parental support. We will be creating a Maker Space complete with robotics equipment, Arduinos, Makey Makeys (we know, crazy names! Google them to find out more!) and maybe even a 3D printer and hopefully so much more!

- **Sprinkler system on oval**
- **Our beautiful arbour**
- **Our amazing productive garden**
- **Four fantastic chickens**
- **Refurbishment across the school**
- **New Senior Playground**
- **Huge investment in technology**
Our sad and lonely school grounds at the front of the school...

What we would love the front of our school to look like!

Thanks to Soleil and Evie in 2V for their wonderful ideas!

<tbody>
<tr>
<td>Library Fund</td>
<td>We are excited to be opening up a new library resource area and Maker Space facility. The library will become a truly interactive and relevant 21st Century resource for our children and will be the hub of learning and the place to create new knowledge in the future. iPads and laptops will create a flexible, engaging learning hub for our children to complement our rich book collection.</td>
<td>$200 $150 $100 $50 Other:</td>
<td></td>
</tr>
<tr>
<td>Building Fund</td>
<td>This fund will allow us to think outside the square in the hope of maintaining precious land for our children to play on. It will also allow us to maintain our current buildings and to refurbish the Multipurpose Room to enable the children to have a room to immerse themselves in the Japanese culture</td>
<td>$200 $150 $100 $50 Other:</td>
<td></td>
</tr>
<tr>
<td>Masterplan support</td>
<td>In early 2016 we will be running a whole school consultation process with the aim of establishing a new Grounds Masterplan to support children’s learning, play and wellbeing over the next four years.</td>
<td>$200 $150 $100 $50 Other:</td>
<td></td>
</tr>
<tr>
<td>Welfare</td>
<td>Welfare extends to all children across our school. A donation to this area will allow us to continue to run support programs for our children and support families in need. In 2015 the very generous donations enabled the school to employ a speech pathologist one day a week and enabled our Welfare Coordinator to work additional hours necessary to support the number of children and families in need. School camps, excursions, swimming programs and school fees were subsidised to support some families. Basic needs, ie soap, food items, footwear and clothing, were able to be provided from our Welfare Fund. We greatly value contributions to this area.</td>

THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANK YOU!

Voluntary CONTRIBUTION $270

Compulsory charges

School equipment and supplies
This charge covers all the equipment that your child will use this year including books, pencils and textas as well as other supplies for specialist subjects (Visual Art, Performing Arts, Japanese and PE). We wish to continue to create the learning environment that matches the needs of your child. It is important for your child to have the opportunity to be able to design solutions to authentic problems through collaborating, problem solving and creating in a dedicated, well resourced and supported Maker Space. This pack also includes a take home book bag made from recycled plastic bottles.

$270
