School Charges & Voluntary Contributions for 2015

ST KILDA PRIMARY SCHOOL

In 2014 we achieved many great things with the support of parents.

Things that have helped outcomes in....

Now and into the future
The Library Fund will be used to provide for our brand new Resource Hub in obtaining and extending our current literacy resources for all levels. Resources will include a mix of digital and conventional mediums to provide our students with innovative learning tools.

The Building Fund will continue to assist the school in planned maintenance repairs. In 2014, with the assistance of parent support, the school was vastly improved by major renovation works to the main building. Areas for focus in 2015 include works that will reduce our energy consumption such as replacing existing fluoro lighting with LED lamps.

Ongoing parent financial support in this area will see the completion and upkeep of existing projects such as the Green Zone (an area that will provide students with a deeper understanding of environmental sustainability), “The Stadium” (basketball court, tennis hitting wall and cricket practice area) and “The Arbour” a new performance stage.

Welfare extends to all children across our school. Due to parent donations in 2014, the school was able to maintain our student welfare programs to families in need with the continued employment of the Welfare Coordinator who provides assistance and counselling; speech pathology and specialist support programs; school provided basic provisions such as food items, footwear, clothing; and financial subsidies for excursions, camps, swimming programs and fees.

SKPS greatly values your support to this area.

The materials charge is a compulsory fee for essential educational items that your child will use on a daily basis in the classroom. The charge enables the school to continue offering a high level of unique educational and specialist programs for all children that is over and above standard curriculum. These include:

- Information Communication Technologies (ICT)
  - Equipment, software, applications, support services and learning opportunities
- Specialist Curriculum Programs
  - Providing classroom materials and equipment for specialist subjects including Art, Physical Education and Sport, Performing Arts and LOTE: Japanese
- In Classroom Materials
  - Supplies such as stationery, paper and books that are consumed within the classroom and an Eco Library Bag to keep

TOTAL COMPULSORY MATERIAL CHARGE FOR 2015 $270

Each year SKPS has a swimming program for students to travel to MSAC for small group swimming lessons.

SWIMMING PROGRAM FOR 2015 $90

- Prep T-Shirt
  - A commemorative t-shirt for the first year of your child’s primary education $12
- School Photos
  - Rate dependent on individual order
- Additional Activities
  - Rate dependent on associated costs

Throughout the year, your child may be asked to participate in a school activities that may attract a cost for transport, food or venue fees. Notices regarding these extra items will be sent home and on the SKPS website/Konnective.
